Transfer Mad Libs

INSTRUCTIONS

On your own, complete the sentence for each of the “mad lib” questions. Once you completed your own mad lib, discuss the questions at your table.

QUESTIONS

1. The “typical” transfer student at my institution is _____.
2. When I hear about transfer students on my campus, I frequently hear that they struggle with _____.
3. To address this common struggle, my institution could improve the transfer student experience by _____.
4. I wish I understood more about transfer students’ experiences when it comes to _____.
5. Based on what I know about transfer students at my institution, I think our institution could work to improve _____.
6. Furthermore, I think focusing on _____ with our partner institutions could help improve the transfer student experience.
