

# MiTRANSFER

Advancing Student Success and Degree Completion

## Re-Cap Webinar MiTransfer Pathways Summit Phase 1, Meeting 2: October 19, 2018

Wednesday, October 24, 2018

3-4pm

# Welcome

*William Emerson, Michigan Association of State Universities*

*Shannon Price, Michigan Independent Colleges and Universities*

# Michigan Transfer Network Replacement

## Michigan Transfer Network

[Search by Receiving \(To\) Institution](#) | [Search by Transferring \(From\) Institution](#)  
[Participating Institutions](#) | [Help & FAQs](#) | [Other Information](#)

The Michigan Transfer Network allows students, advisers, and the general public to view transfer course equivalencies between many Michigan colleges and universities.

If you would like to go back to school, transfer to another institution in Michigan, or simply see how courses at your current institution would transfer to another school, this site is for you!

You can also view a list of the participating institutions along with links to each school's home page, admissions site, and transfer information.

# MTA Example: Delta College

## MICHIGAN TRANSFER AGREEMENT

Completion of requirements for the Associate in Arts Degree, Associate in Science Degree or Associate in Fine Arts may fulfill the requirements for the Michigan Transfer Agreement. Please see [Transfer and Career Education Articulations](#) for an overview of this agreement.

It is highly recommended that all students consult with a representative of Admissions and/or Counseling/Advising & Career Services regarding transfer plans and course planning to ensure all course sections fulfill articulation and degree plans. It is also recommended that you review and work closely with your intended transfer institution to align all courses taken at Delta College to the general education and program specific requirements for the college or university you wish to attend after Delta College.

**Michigan Transfer Agreement (MTA) Course Distribution Requirements (minimum of 30 credits) must be completed from distribution below. Note: A minimum grade of "C" (2.0) is required in all MTA courses.**

Discipline	Michigan Transfer Agreement (MTA) Requirements	
English Composition	<a href="#">ENG 111</a> , <a href="#">ENG 111A</a> , <a href="#">ENG 111B</a> , <a href="#">ENG 111C</a> , <a href="#">ENG 111H</a> , <a href="#">ENG 112</a> , <a href="#">ENG 112A</a> , <a href="#">ENG 112H</a> , <a href="#">ENG 113</a> , <a href="#">ENG 211</a> , <a href="#">ENG 211H</a>	1 Course

Community College Relations / Michigan Transfer Agreement (MTA)

### Michigan Transfer Agreement (MTA)

The Michigan Transfer Agreement (MTA) was mandated by the Michigan Legislature in Fall 2014 to replace the MACRAO agreement. The MTA allows for the transfer of 30 credits of core general education courses from a Michigan community college to a Michigan baccalaureate college or university. Students may complete the MTA as part of an associate's degree or as a stand-alone package. MTA courses are approved by the community college.

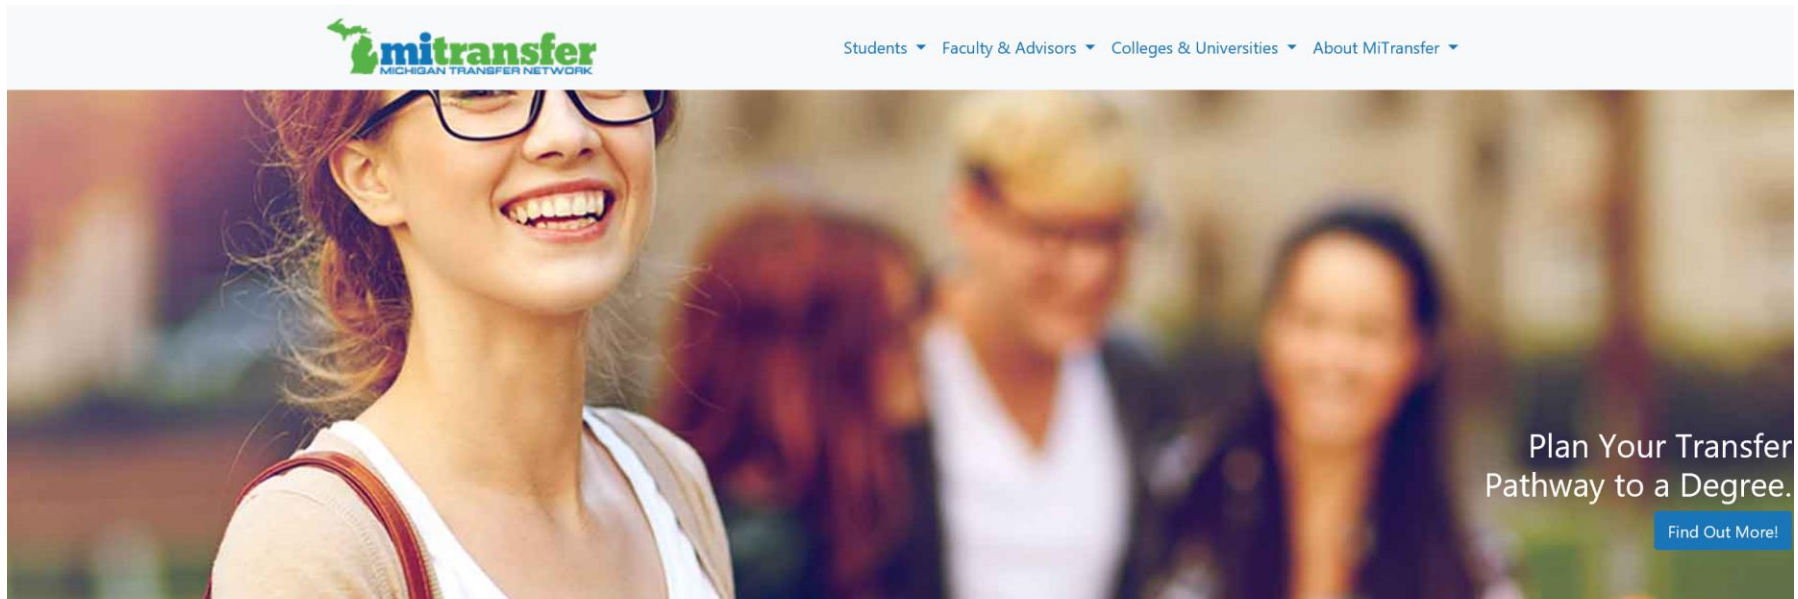

The Michigan Transfer Agreement (MTA) satisfies EMU's General Education core requirements listed below:

- Effective communication
- Quantitative reasoning
- Knowledge of the disciplines (arts, humanities, natural sciences and social sciences)

Transfer students with an MTA endorsement on their transcript will only need to complete the general education application requirements below:

## Biology MiTransfer Pathway

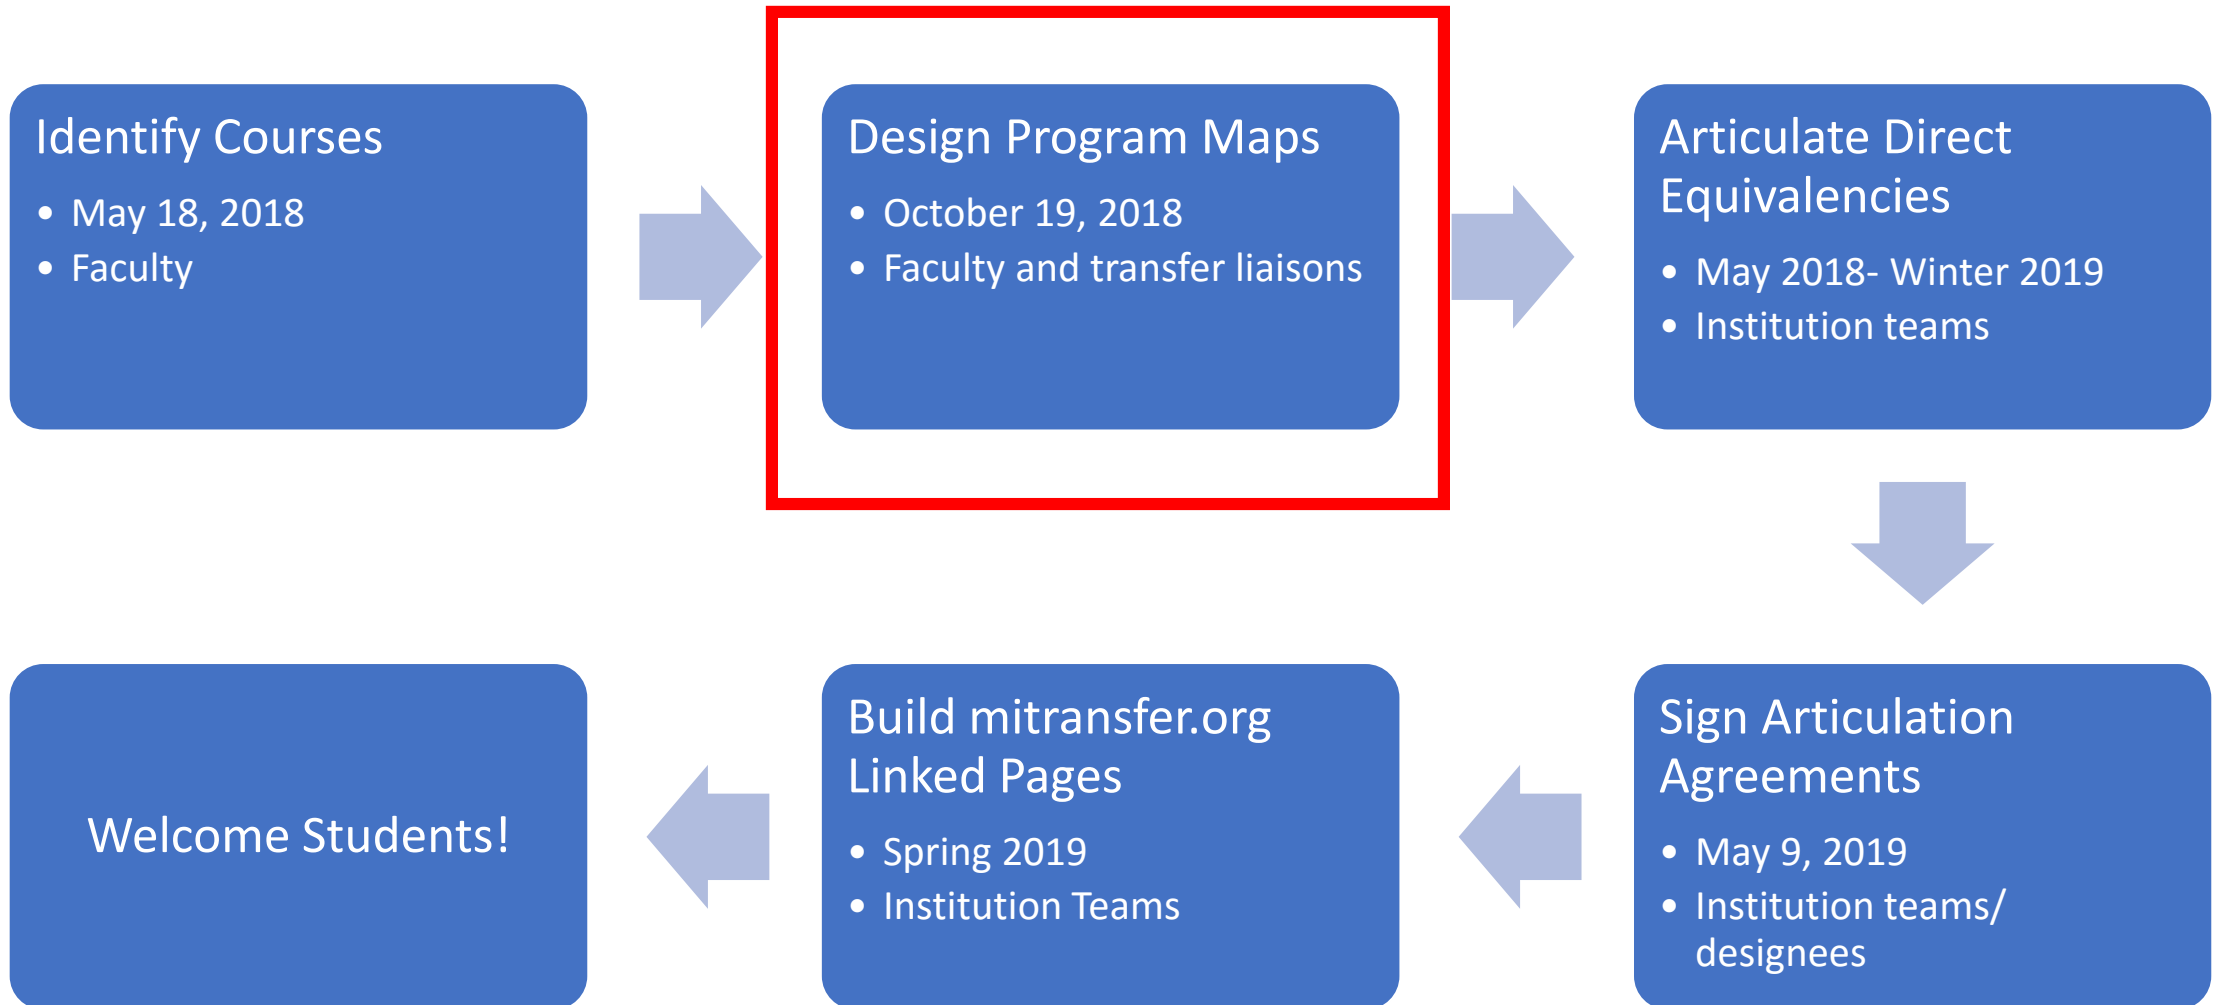

The Michigan Transfer Agreement (MTA) was mandated by the Michigan Legislature in Fall 2014 to replace the MACRAO agreement. The MTA allows for the transfer of 30 credits of core general education courses from a Michigan community college to a Michigan baccalaureate college or university. Students may complete the MTA as part of an associate's degree or as a stand-alone package. MTA courses are approved by the community college.

The Michigan Transfer Agreement (MTA) satisfies EMU's General Education core requirements listed below:

- Effective communication
- Quantitative reasoning
- Knowledge of the disciplines (arts, humanities, natural sciences and social sciences)

Transfer students with an MTA endorsement on their transcript will only need to complete the general education application requirements below:

# How will we get there?

# Agenda

10:45 am	May 2018 Parking Lot
12:00 pm	Lunch
12:45 pm	MiTransfer Pathways Working Sessions
2:45 pm	Break
3:15 pm	Next Steps Discussion

# Biology

- Pathways Courses: Biology 1 and 2, General Chemistry 1 and 2, Organic Chemistry 1 and 2
- Physics I and II will be included as other program requirements on the new worksheet
- Math Pathways: Add College Algebra in the MTA and add all additional mathematics requirements in the remaining degree requirements

# Business

- Confirmed that microeconomics, macroeconomics, financial accounting, managerial accounting, business law, and CIS are common across all institutions
- Math Pathways: All program require statistics. All programs except Wayne State also require another mathematics course (college algebra, trig, pre-calc, calculus).
- Principles of Management learning outcomes: Project staff will facilitate sharing of learning outcomes.
- CIS course: Project staff will request CIS course requirements
- 200/300 level transferability – institutional and accreditation issues

# Criminal Justice

- Pathways Courses Include: Intro to Psychology, Intro to Sociology, Intro to Criminal Justice, and Intro to Corrections.
- Multiculturalism/Diversity classes were not determined to be part of the pathway, but they will be treated as strategic electives.
- The CJ Pathways team is considering developing multiple tracks or a “clustered approach” to this pathway in order to accommodate the wide range of approaches to CJ instruction across the state.
- Math Pathway: Still undetermined, although Statistics and QR are dominant.

# Psychology

- Pathways Courses: Intro to Psychology, Abnormal Psychology, Social Psychology, and Developmental Psychology
- Math Pathways: Statistics should be recommended as the MTA math requirement. Additional math requirements should be included in the Other Requirements section.
- 200/2000 to 300/3000-level courses should be transferable if the learning outcomes align
- Writing competency exams, psych course transferability, and extra credit are out of scope for this project

# Transfer Liaisons

- Role of the Transfer Liaison
- Key components of the articulation agreement
- Best practices to track student pathways
- Advising practices to support undecided students
- Communicating secondary admission policies
- Institution to institution communication practices
- Statewide marketing campaign

# All Programs

- MiTransfer Pathways will not guarantee institutional admissions
- MiTransfer Pathways will not guarantee secondary/ program admissions
- MiTransfer Pathways “maps” provide general guidance to transfer students. Each student will follow a customized plan
- Advisors will continue to work with students to explore careers, select a program of study, and identify transfer institutions
- Undecided students will need additional support, but the maps are still the maps
- Transferring courses from 200/2000-level to 300/3000-level

## Next Steps

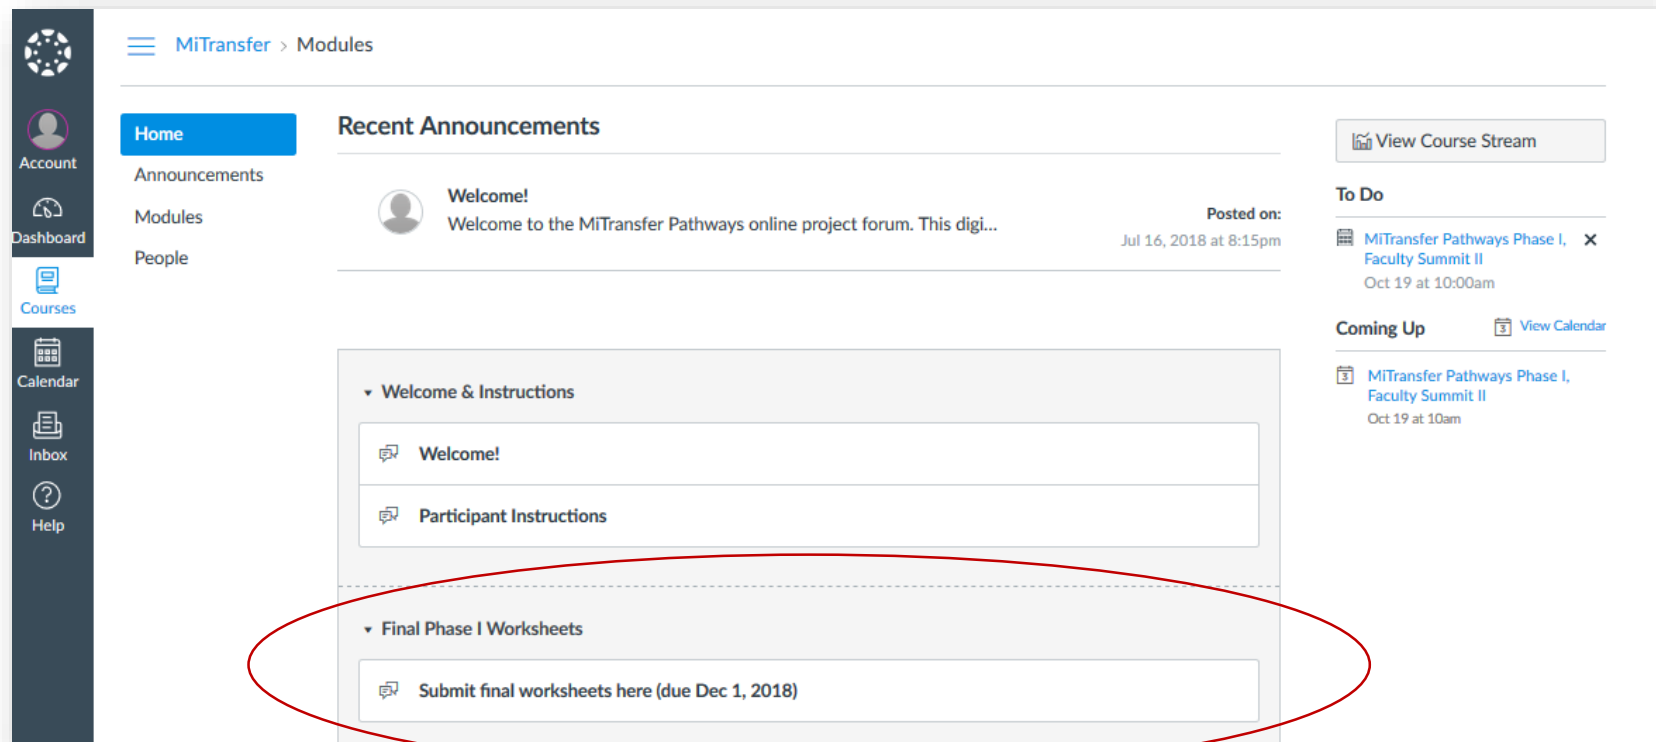

- Parking Lot Report Out
- Working Session Report Out
- Worksheets
- Course Equivalencies
- Travel Stipends
- Re-Cap Webinar Recording
- Website

# MiTransfer Pathways Worksheets

- Upload final worksheets to Canvas by **Dec 1, 2018**

<https://canvas.instructure.com/courses/1364208>

Not connected to the Canvas Forum? Self-enroll at <https://canvas.instructure.com/enroll/8C468T>

In the sections below, institutions should fill in courses that are required, recommended, or optional in the first two years of the academic program and will facilitate the multi-institutional transfer agreements in each MiTransfer Pathways program. Please visit the project's digital forum at <https://canvas.instructure.com/courses/1364208> to upload your final worksheet before December 1, 2018 in the single module repository entitled Final Phase I Worksheets.

## DEGREE PROGRAM INFORMATION

Add program related information including your institution, the degree and program, and the total credits required to complete the degree. Complete an additional worksheet for each degree program. For example, business programs need to complete one worksheet per program for business admin, marketing, finance, international business, etc.

Institution	
Degree/Program	
Credits Required	

## MICHIGAN TRANSFER AGREEMENT (MTA)

Add MTA courses that are specifically recommended/required for this degree. Otherwise, assume that students can select from the menu of MTA courses.

MTA Requirement	Subject/ Course Number	Course Title	Credit Hrs
English/Comm. (2)			
Humanities & Fine Arts (2)			
Social Sciences (2)			
Natural Science (2)			
Mathematics (1)		College Algebra	
TOTAL CREDITS			

## MiTRANSFER PATHWAYS COURSES

Add the commonly agreed upon "pathways courses" which were identified at the MiTransfer Pathways Summit. If a course also fulfills an MTA distribution requirement, please list here but only count the hours in the MTA section.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Cell/Molecular Biology			
Organismal Biology			
General Chemistry I			
General Chemistry II			
Organic Chemistry I			
Organic Chemistry II			
TOTAL CREDITS			

## REMAINING DEGREE REQUIREMENTS

**Universities:** Add any courses that were not identified as MiTransfer Pathway courses, but are required, recommended, or optional in the first two years. Add any additional non-MTA general education requirements that can transfer.  
**Community colleges:** Add any additional associate degree requirements that are not MTA or MiTransfer Pathways courses. Indicate the remaining hours required to earn an associate degree (CC only: add remaining hours).

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
		CC Only: Add remaining hours	
TOTAL CREDITS			

# Program Worksheets

Look for an email message from project staff about specific program-related issues and additional information about submitting worksheets.

# MiTransfer Pathways Course Equivalencies

- Review updated equivalency grids online at <https://www.mitransfer.net/phase1>
- Upload new equivalencies at [michigantransfERNetwork.org](https://michigantransfERNetwork.org)

# Course Equivalency Matrices – upload equivalencies by December 1, 2018

[illegible]

# Travel Stipends

- Attendees are eligible for a \$200 travel stipend per meeting
- Eligible expenses include airfare, hotel, mileage, rental car, etc.
- No receipts are necessary
- Travel stipends will be paid after the Fall 2018 convening and after completing the required documentation
- Stipends can be paid to individuals or institutions
