

MiTRANSFER

Advancing Student Success and Degree Completion

MiTransfer Pathways Summit

Phase 3, Meeting 2: October 11, 2019

Re-Cap Webinar on October 17, 2019.

Welcome

Will Emerson, Michigan Association of State Universities (MASU)
Shannon Price, Michigan Independent Colleges and Universities (MICU)

Celebrating Phase 1 Accomplishments

28 community colleges ~ 20 universities ~ 19 courses

- Biology:

6 courses x 28 community colleges x 10 universities = 1,680 equivalencies

- Business:

5 courses x 28 community colleges x 17 universities = 2,380 equivalencies

- Criminal Justice:

4 courses x 28 community colleges x 10 universities = 1,120 equivalencies

- Psychology:

4 courses x 28 community colleges x 13 = 1,456 equivalencies

Overview of the Day

Erica Orians, Michigan Community College Association

A person is seen from behind, holding a silver laptop. The back of the laptop has the text 'Project Objective' written on it in a dark blue font. The person has a tattoo on their left arm and is wearing a gold chain. In the foreground, there is a dark blue messenger bag with two brown leather straps and buckles. The background is a bright, out-of-focus window.

Project Objective

Making the overall transfer
experience more efficient,
easy to understand and
simple to navigate while
optimizing credit transfer.

Strategies

- Replace the Michigan Transfer Network
- Develop multi-institutional associate to bachelor's degree transfer pathways
- Align mathematics requirements within programs of study
- Increase awards of academic credit for military experience
- Spotlight best practices to improve transfer student success
- Produce and utilize data on transfer student outcomes

Easily search how your credits transfer to colleges and universities. Connect with the right people!

Selected Pathways

Phase I

- ☐ Biology
- ☐ Business
- ☐ Criminal Justice
- ☐ Psychology

Phase II

- ☐ Communication
- ☐ Computer Science
- ☐ Mechanical Engineering
- ☐ Social Work

Phase III

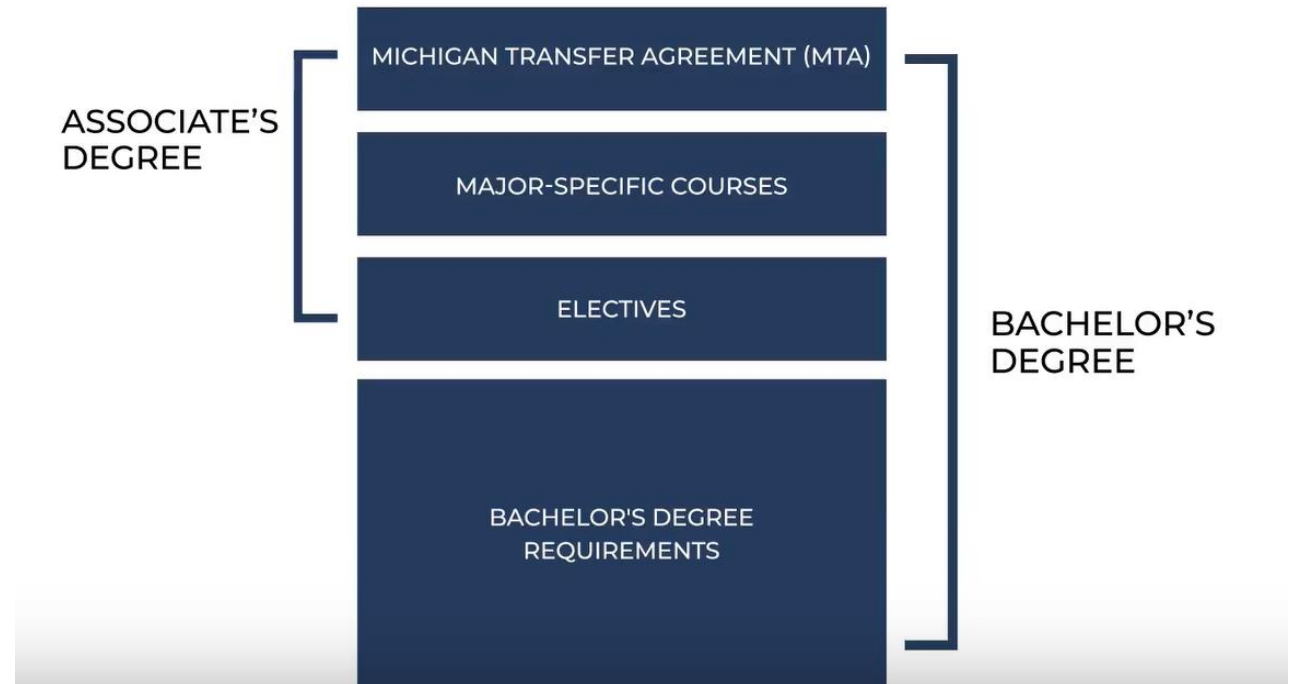

- ☐ Art
- ☐ English
- ☐ Exercise Science/ Kinesiology
- ☐ Public Health

Re-cap of May 15, 2019

Goal

Identify required, recommended, optional and appropriate courses that meet associate and bachelor's degree program requirements in the first and second year.

ASSOCIATE'S TO BACHELOR'S DEGREE TRANSFER PATHWAYS

Identify Common Courses

Molecular Biology
Organismal / General Bio

University Program
 Required, Recommended, Optimal, Appropriate
 in First- and Second-Year

YES NO

Must have

Community College Program
 Course Offered at Community College

YES NO

[illegible]

Additional Mathematics

YES

Re-Cap Art MiTransfer Pathways Courses

- Art History I
 - Art History II
 - Drawing I
 - 3D Design
 - Digital Design
 - 2D Design (tentative)
 - Studio Art (tentative)
 - Non-Western Art (tentative)
 - Contemporary/Modern Art (tentative)
-
- Math: QR Recommended

Re-Cap English MiTransfer Pathways Courses

- Intro to Literary Studies
 - Creative Writing
 - 1 Literature Survey (Am Lit I, Am Lit II, Brit Lit I, Brit Lit II)
 - 1 Diversity Literature course
-
- Any MTA math is acceptable (including QR)
 - Comp II for MTA

Re-Cap Exercise Science MiTransfer Pathways Courses

- 2 semester sequence: Anatomy & Physiology (w/lab)
- Human Nutrition
- First Aid/ CPR
- Survey/Intro to Exercise Science
- Intro to Psychology
- General Chem I (w/lab)

- MTA Math: Stats *and* Calc

Re-Cap Public Health MiTransfer Pathways Courses

- Community Health
 - Nutrition
 - Personal Health/Wellness
 - Introduction to Psychology
 - Principles/Intro to Public Health
 - Environmental Health (tentative)
-
- MTA Math: Statistics

Parking Lot

There will be issues and concerns that we will not address in this session. Identify these issues in the “parking lot.” These issues will be documented for further discussion.

Parking Lot

Complete Worksheets

PROGRAM WORKSHEET TEMPLATE

In the sections below, institutions should fill in courses that are required, recommended, or optional in the first two years of the academic program and will facilitate the multi-institutional transfer agreements in each MiTransfer Pathways program.

DEGREE PROGRAM INFORMATION

Add program related information including your institution, the degree and program, and the total credits required to complete the degree. Complete an additional worksheet for each degree program. For example, business programs need to complete one worksheet per program for business admin, marketing, finance, international business, etc.

Institution	
Degree/Program	
Credits Required	

MICHIGAN TRANSFER AGREEMENT (MTA)

Add MTA courses that are specifically recommended/required for this degree. Otherwise, assume that students can select from the menu of MTA courses.

MTA Requirement	Subject/ Course Number	Course Title	Credit Hrs.
English/Comm. (2)			
Humanities & Fine Arts (2)			
Social Sciences (2)			
Natural Science (2)			
Mathematics (1)			
TOTAL CREDITS			

MiTRANSFER PATHWAYS COURSES

Add the commonly agreed upon "pathways courses" which were identified at the MiTransfer Pathways Summit. If a course also fulfills an MTA distribution requirement, please list here but only count the hours in the MTA section.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs.
TOTAL CREDITS			

REMAINING DEGREE REQUIREMENTS

Universities: Add any courses that were not identified as MiTransfer Pathway courses, but are required, recommended, or optional in the first two years. Add any additional non-MTA general education requirements that can transfer.

Community colleges: Add any additional associate degree requirements that are not MTA or MiTransfer Pathways courses. Indicate the remaining hours required to earn an associate degree (CC only: add remaining hours).

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs.
CC Only: Add remaining hours			
TOTAL CREDITS			

Ensure Courses are Transferable

The screenshot shows the MiTRANSFER website dashboard. At the top, there is a navigation bar with the MiTRANSFER logo (a green outline of Michigan with the text 'mitransfer' and 'MICHIGAN TRANSFER NETWORK' below it) on the left, and links for 'Students', 'Faculty & Staff', and 'Find Colleges & Universities' on the right. Below the navigation bar is a blue header with a 'Dashboard' button on the left, the text 'Michigan Transfer Network' in the center, and 'MTN User: Katie Giardello' with a settings gear icon and a share icon on the right. The main content area has a large heading 'Search for Courses' in blue. Below this heading is a paragraph: 'The Michigan Transfer Network allows students and advisors to view transfer course equivalencies between many Michigan colleges and universities. You can search for courses by sending institution (the institution where you completed the course) or by the receiving institution (the institution where you plan to transfer the course).' There are two search options presented in light gray boxes. The first box is titled 'Search for Courses by Sending Institution' and contains the text 'To find equivalencies by the institution **from** which you plan to transfer credit.' It has a blue 'Start Search' button at the bottom. The second box is titled 'Search for Courses by Receiving Institution' and contains the text 'To find equivalencies by the institution **to** which you plan to transfer credit.' It also has a blue 'Start Search' button at the bottom. At the very bottom of the dashboard, there is a footer with links: 'Institutions | Reports | Course Data | Users | Help Requests | Public Website'.

Agenda

11:00 am	Breakout Discussions: Address May 2019 Parking Lot Issues
12:30 pm	Lunch
1:15 pm	Breakout Report-Outs
1:45 pm	Working Session
3:45 pm	Next Steps Discussion

Parking Lot Assumptions

- MiTransfer Pathways will not guarantee institutional admissions
- MiTransfer Pathways will not guarantee secondary/ program admissions
- MiTransfer Pathways “maps” provide general guidance to transfer students. Each student will follow a customized plan
- Advisors will continue to work with students to explore careers, select a program of study, and identify transfer institutions
- Undecided students will need additional support, but the maps are still the maps

Parking Lot Discussion

begins at 11AM

12:30-1:15pm

Lunch

1:15-1:45pm

Parking Lot Discussion Report-Outs

Katie Giardello, Project Consultant

Art Report-Out

- If the program includes all of the MiTransfer Pathways courses, then universities should include the program
- Studio arts course should tentatively be a minimum of 4.5 contact hours per 3 credit hours
- Students should complete two studio art courses in two different areas in the first and second year
- Schedule a webinar on the Perkins program and the Associate in Fine Arts programs
- Admissions and portfolio requirements should be clear and (where possible) transfer student friendly

Confirmed Art MiTransfer Pathways Courses

- Art History I
 - Art History II
 - Drawing I
 - 2D Design
 - 3D Design
 - Digital Design (tentative)
-
- Studio Art (take two courses from two different areas)
-
- Math: QR Recommended

English Report-Out

- Explore equivalencies for diversity and survey courses through worksheets, syllabi and matrices
 - Add World Literature to the list of courses to check transferability?
- University worksheets should include
 - # of credits in the major that must be taken at the 300-400 level
 - # of elective credits in the major that can be transferred in
- “Declared” English majors at cc’s may be limited now but there is a potential to generate more with a clear pathway

Confirmed English MiTransfer Pathways Courses

- Intro to Literary Studies
 - Creative Writing
 - 1 Literature Survey (Am Lit I, Am Lit II, Brit Lit I, Brit Lit II)
 - 1 Diversity Literature course
-
- Any MTA math is acceptable (including QR)
 - Comp II for MTA

Exercise Science Report-Out

1. Nutrition: Not part of the pathway, but possibly a Remaining Degree Requirement
2. Calc vs. College Algebra: College Algebra
3. Chemistry: 1 Chemistry is needed. The student can transfer Gen Chem 1 with a lab.
4. Physics: Not part of the pathway
5. Intro to Exercise Science: Included as Overview of Exercise Science
6. Movement: Stays off the pathways
7. PE/Physical Activity Courses: Not required in the pathway
8. BA or BS?: Non-issue as long as the curriculum matches.
9. CPR: Not part of the pathway, possibly a remaining degree requirement.

Confirmed Exercise Science MiTransfer Pathways Courses

- 2 semester sequence: Anatomy & Physiology (w/lab)
 - Overview of Exercise Science
 - Intro to Psychology
 - General Chem I (w/lab)
-
- MTA Math: Pathway to Calculus (includes College Algebra)

Public Health Report-Out

- CC Curriculum development for Intro to Pub Hlth, Community Hlth → webinar planned for January 2020 to help with this and use CEPH domains/competencies for alignment
- BA/BS – both are OK as long as they fit the curriculum (most Univs are BS)
- Non-public health majors are OK as long as the curriculum works
- Where is this program going? Some opportunity for education for CC advisors on this career area. Univs serious about developing a pipeline ... more to come on this.

Confirmed Public Health MiTransfer Pathways Courses

- Introduction to Psychology
- Introduction to Sociology
- Principles/Intro to Public Health
- Community Health
- Nutrition
- Personal Health/Wellness

- MTA Math: Statistics

Transfer Liaison Report-Out

- Process, Tools, and Implementation
- Providing support for the institution's academic pathway team
 - Canvas/syllabi
 - Worksheets
 - Establishing equivalencies
- Creating tools for students and advisees

Working Session

MiTransfer Pathways Next Steps

Revise Final Worksheets

Address Course Equivalencies

Steps to Establishing Equivalencies

1. Identify missing equivalencies
2. Review course syllabi
3. Establish equivalency
4. Post updated equivalencies to mitransfer.org
5. Check your progress

Course Equivalency Matrix

The screenshot displays the MiTRANSFER website's 'Reports' section. At the top, the MiTRANSFER logo is on the left, and navigation links for Home, Students, Faculty & Staff, and Find Colleges & Universities are on the right. A user profile for Erica Orians is shown in the top right corner. Below the navigation bar, a 'Dashboard' button is on the left, and a 'Reports' button is in the center. A 'Report Scheduling' button is located below the 'Reports' button. The main content area is divided into six report cards, each with a title, description, and a 'View Report' button. The 'Course Equivalency Matrices' card is highlighted with a red box around its 'View Matrices' button.

By Receiving Institution (Left Arrow Icon)

Receiving institutions can run this report to view and download all course equivalencies. Users can further refine the equivalencies by selecting a subject, transferring institution, or by searching keywords. This is the report used to view all the receiving institutions' course equivalencies in one place. Click to review [reporting instructions](#) and an [instructional video](#) on MTN reports.

By Transferring Institution (Right Arrow Icon)

Transferring (or sending) institutions can run this report to view and download all course equivalencies. Users can further refine the equivalencies by selecting a subject, receiving institution, or by searching keywords. This is the report used to view equivalencies that receiving institutions uploaded to the MTN or your institution. Click to review [reporting instructions](#) and an [instructional video](#) on MTN reports.

Credit Hour (Not Equal Icon)

Run this report to view and download course equivalencies with different credit hours earned at the transferring and receiving institution. This report displays course equivalencies when the credit hour total does not match. Click to review [reporting instructions](#) and an [instructional video](#) on MTN reports.

Duplicate Equivalencies (Document Icon)

Receiving institutions can view a report of course equivalencies that appear to be duplicates (same course department and number). This report is useful to identify course equivalencies that appear twice or more in the database and are helpful for institutions who wish to improve data quality. Click to review [reporting instructions](#) and an [instructional video](#) on MTN reports.

Course Equivalency Matrices (Grid Icon)

Create a course equivalency matrix to view and download course equivalencies between multiple institutions. Click to review a brief [video tutorial](#) on these reports.

Equivalency Change Report (Double Arrow Icon)

Schedule the Equivalency Change Report to view course equivalency changes for your institution. Schedule this report to receive an email immediately when equivalencies change, weekly, and/or monthly. The report is available for transferring and receiving institutions.

Student Search (Search Icon)

MiTRANSFER

Advancing Student Success and Degree Completion

Step 2: Review Syllabi

- Contact Community Colleges through transfer liaisons (contact information shared via email)
- View Canvas
 - Follow the instructions to self-enroll at <https://canvas.instructure.com/enroll/8C468T> or if you already have a Canvas account associated with your institutional email, you should visit <https://canvas.instructure.com/register> and use the join code 8C468T to facilitate your enrollment in this course.

View Canvas

The screenshot displays the Canvas LMS interface for a 'Biology - Phase I MiTransfer Pathway'. Below this, the 'Business Administration - Phase I MiTransfer Pathway' is expanded, showing a list of items. The 'Microeconomics Syllabi' item is highlighted with a red rectangular box. Each item in the list includes a document icon, the item name, a green checkmark, and a three-dot menu icon.

Item Name	Status
Business Administration Course Equivalency Worksheet	✓
Community College Worksheets	✓
University Worksheets	✓
Microeconomics Syllabi	✓
Macroeconomics Syllabi	✓
Financial Accounting Syllabi	✓
Managerial Accounting Syllabi	✓
Business Law Syllabi	✓

Step 3: Establish Equivalency

Step 4: Post Equivalencies to MiTransfer

The screenshot shows the MiTRANSFER dashboard interface. At the top, the logo for the Michigan Transfer Network (MiTRANSFER) is displayed. Below the logo, a blue navigation bar contains the word "Dashboard" on the left and right. The main content area is divided into two columns. The left column is a sidebar with a list of menu items: "Institutions", "Reports", "Course Data", "Users", "Help Requests", and "Public Website". The "Course Data" item is highlighted with a red rectangular border. Below the sidebar, there is a blue button labeled "Submit a New Help Request". The right column contains two sections: "Announcements" and "Manuals and Instructions". The "Announcements" section includes three items: "LinkedIn Social Media Option", "Marketing Materials Available", and "Update Phone Number". The "Manuals and Instructions" section includes a paragraph of text and a link to "MTN Secure User D". At the bottom of the dashboard, there is a grey bar with the text "LOGIN AND USERS".

Course Data

Announcements

LinkedIn Social Media Option: At the request of users, we added LinkedIn as a social media option.

Marketing Materials Available: The site is live as of May 31st! Please see the marketing materials available.

Update Phone Number: At the request of users, we added a Phone to the institution page. This can be the general number to the institution or a specific department.

Manuals and Instructions

Instructions are available for users of the site. New users can review the [MTN Secure User D](#) and please submit a help request using the button on the left.

Step 5: Checking your work

- Transfer Your Courses
- Course Equivalency Matrices

View Updated Courses

The screenshot shows the Michigan Transfer Network website. At the top left is the logo with a green outline of Michigan and the text "mitransfer" in blue and green, with "MICHIGAN TRANSFER NETWORK" in smaller blue text below it. To the right of the logo are navigation links: "Home", "Students" with a dropdown arrow, "Faculty & Staff" with a dropdown arrow, and "Find Colleges & Un". Below the navigation is a blue horizontal bar with the text "Michigan Transfer Network" in white. The main content area has a large blue heading "Transfer Your Courses". Below this heading is a paragraph: "The Michigan Transfer Network allows students and advisors to view transfer course equivalencies between many Michigan colleges and universities. You can search for courses by sending institution (the institution where you completed the course) or by the receiving institution (the institution where you plan to transfer the course). Can't find your course? [Contact](#) a participating institution." Below this paragraph are two white boxes with rounded corners. The left box has the heading "Search for Courses by Sending Institution" in blue, followed by the text "To find equivalencies by the institution **from** which you plan to transfer credit." At the bottom of this box is a blue button with the text "Start Search" in white. The right box has the heading "Search for Courses by Receiving Institution" in blue, followed by the text "To find equivalencies by the institution **to** which you plan to transfer credit." At the bottom of this box is a blue button with the text "Start Search" in white.

BACHELOR'S DEGREE PROGRAM INFORMATION

Institution	
Degree/Program	
Credits Required	

MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at www.mitransfer.org.

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Social Work MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathways.

MiTRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology			
Introduction to Sociology			
Introduction to Social Work			
Human Biology			
TOTAL CREDITS			

REMAINING DEGREE REQUIREMENTS

These are required, recommended, or optional courses that transfer students could complete at a community college to fulfill degree requirements at the university/ receiving institution.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
TOTAL CREDITS
